

**Getchell Gold Corp. Announces \$1,000,000 Financing
and Engages Red Cloud Financial Services**

Toronto, Ontario – September 14, 2020 – Getchell Gold Corp. (CSE: GTCH) (OTCQB: GGLDF) ("Getchell" or the "Company") a leading Nevada focused Gold and Copper exploration company is pleased to announce an offering on a non-brokered private placement basis of up to 2,500,000 units (each a "Unit") at a price of \$0.40 per Unit, for gross proceeds of up to \$1,000,000 (the "Private Placement"), and that it has entered into a corporate services agreement with Red Cloud Financial Services Inc. ("Red Cloud").

"The financing will strengthen the Company's financial position, provide Getchell the critical ability to pursue its exploration and corporate objectives, and underpin future growth potential." states Mike Sieb, President of Getchell Gold Corp., and "We anticipate Red Cloud's engagement, at this formative juncture in the Company's development, will expand the Company's network and range of capital opportunities, and facilitate that growth."

Financing

Each Unit will consist of one common share of the Company and one-half of one common share purchase warrant. Each whole warrant will entitle the holder to acquire one additional common share of the Company at a price of \$0.60 per share for a period of two years from the date of closing. The Private Placement may include closing in tranches and multiple closing dates.

The Private Placement will include an up to 25% over-allotment option, exercisable by the Company, which equates to an additional 625,000 Units and \$250,000 (the "Greenshoe"). If the Greenshoe is fully exercised, the total proceeds of the Private Placement will be an aggregate of 3,125,000 Units and gross proceeds of \$1,250,000.

The proceeds from the Private Placement will be used for exploration of properties and general working capital. In connection with the Private Placement, the Company may pay finder's fees.

Closing of the Private Placement is subject to receipt of all necessary corporate and regulatory approvals, including approval of the Canadian Securities Exchange. The securities issued pursuant to the Private Placement will be subject to a statutory hold period in accordance with applicable securities laws.

The securities offered have not been and will not be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or applicable exemption from the registration requirements.

Red Cloud Services Agreement

The Company reports that it has retained Red Cloud, a Toronto-based resource-focused financial services platform which offers clients an extensive array of corporate access services including marketing, media, and online support.

The Agreement with Red Cloud is for an initial six-month period until February 17, 2021 (“Initial Period”) and automatically renews month-to-month thereafter. Under the engagement, the Company will issue 180,300 shares in consideration for the Initial Period and Red Cloud will be paid a fee of \$10,000 per month for services it will render to the Company subsequent to the Initial Period. The shares issued under the initial engagement will be subject to a four-month and one day hold period from the date of grant.

About Getchell Gold Corp.

The Company is a Nevada focused gold and copper exploration company trading on the CSE: GTCH and OTCQB: GGLDF. Getchell Gold is primarily directing its efforts on its most advanced stage asset, Fondaway Canyon, a past gold producer with a significant in-the-ground historic resource estimate. Complementing Getchell’s asset portfolio is Dixie Comstock, a past gold producer with a historic resource and two earlier stage exploration projects, Star Point and Hot Springs Peak. Getchell has the option to acquire 100% of the Fondaway Canyon and Dixie Comstock properties, Churchill County, Nevada.

The Company reiterates that its near-term strategy to advance its assets is not impacted by the COVID-19 Corona virus. The Company continues to monitor the situation and is in compliance with all government guidelines.
